

2010 – Opening of the Technical Campus

In 2010 there was further expansion in both Roemhild and Hofheim. Roemhild gained a storage hall for finished components and in Hofheim the Technical Campus opened its doors for the first time. In the former buildings of the Michel company there was now an ultra modern office building with a training room, conference rooms and staff cafeteria.

2010 - HAGA Metallbau GmbH - Technik Campus, Am Spielberg 6, 97461 Hofheim

HAGA Metallbau GmbH & Co. KG in Lichtenau was incorporated into HAGA Metallbau GmbH in April 2012. In 2013, the covering of the installation preparation area was the latest major investment in our Hofheim facility. In addition Georg Rumpel, as a future successor, joined the company. For the time being he is working in the estimating and cost control departments.
