Dear Joachim,

Many thanks for the excellent cooperation at Villa Sameeha and VillaMaleehaprojects.

I am very pleased that my decision in May 2012 to place an order with HAGA for the façade, window and doors for these villas has been successful.

All matters concerning design, fabrication, fabrication, delivery and installation have been completed. Even late changes requested during the 20 month site period have been resolved by your helpful engineers and installers.

May I offer my thanks to all of HAGA's staff, especially the project engineer, for their proactive and helpful proposals and solutions. My clients have also asked me to pass on their special thanks. They particularly enjoy the excellent sun protection and functionality of HAGA's high quality product.

Your team completed all the work in January 2015 and I would stress my wish to cooperate with HAGA on future projects.

Best wishes

Saleh Marafi
